

Evidence, Equity and Excellence: Advancing Healthcare in KESS

Call for Abstracts

KESS Research Day 2026

*Where evidence guides, equity bridges, and
excellence delivers.*

Researchers, students, healthcare professionals and partners across the Khayelitsha and Eastern Substructure are invited to submit abstracts for presentation at KESS Research Day 2026.

From Research to Practice

Research-to-practice, implementation, evaluation, outcomes, knowledge translation and continuous learning.

Equity That Bridges

Access, inclusion, culturally safe care, community partnerships, service barriers and workforce equity.

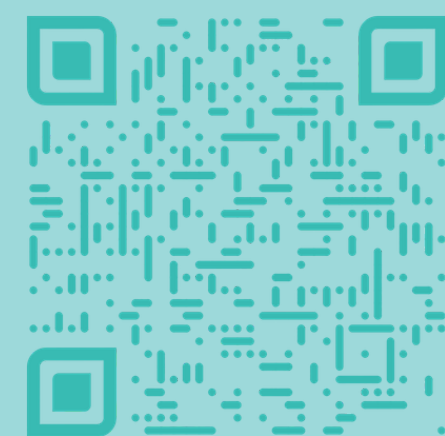

Service Delivery

Clinical quality, patient safety, service performance, patient experience, training and accountability.

Intersectoral Collaboration

Collaboration, policy, governance, workforce well-being, leadership and sustainable resource use.

Abstract submission closes:
14 September 2026
